Driver Improvement Program (DIP) Test

DIP TEST

Test your knowledge! The test is comprised of 20 multiple choice questions.

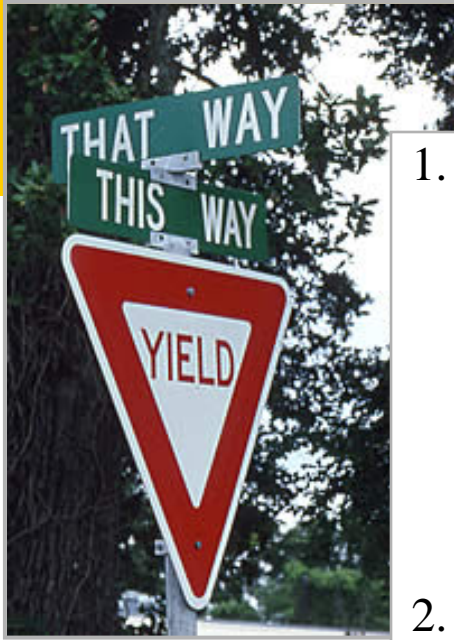

Before you move on to the test questions, you will need to print out the test answer sheet.

Please access the test answer sheet, print it, and come back to this page.

When you return to this page after printing the answer sheet, just click your mouse or use the “down” arrow key to move through this assessment.

Each agency is implementing the Driver Improvement Program and test differently. For example, some agencies have included this training and test as a required part of their formal training programs. Please consult with your agency intranet site or your fleet manager for details.
