

Department of Public Safety and Correctional Services

MISSION

The Department of Public Safety and Correctional Services protects the public, its employees, and detainees and offenders under its supervision.

VISION

The Maryland Department of Public Safety and Correctional Services (DPSCS) will be nationally recognized as a department that believes its own employees are its greatest strength and that values the development of their talents, skills, and leadership. We will be known for dealing with tough issues like gang violence by capitalizing on the strength of interagency collaboration. We will be nationally known as the department that takes responsibility for the greatest of problems and moves quickly and quietly to bring about successful change. DPSCS will be known as one of the national leaders in the development and use of technology through system interoperability. Others will look to this department for its effective leadership and evidence-based practices. We will be known for our belief in the value of the human being and the way we protect those individuals, whether they are members of the public, our own employees, those we are obligated to keep safe and in custody, or victims of crime. DPSCS will be known as an organization that focuses on its mission and takes care of its people.
