

State Board of Elections

MISSION

The State Board of Elections' (SBE) mission is to administer the process of holding democratic elections in a manner that inspires public confidence and trust.

VISION

The State Board of Elections envisions an election management system in which: all persons served by the election system are treated fairly and equitably; all qualified persons may register and vote and those who are not qualified do not vote; those who administer elections are well-trained, they serve both those who vote and those who seek votes, and they put the public interest ahead of partisan interests; full information on elections is provided to the public, including disclosure of campaign finance information; citizen convenience is emphasized in all aspects of the election process; and security and integrity are maintained in the voter registration process, casting of ballots, canvass of votes, and reporting of election results.

KEY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

NOTE: Most SBE data are based on election year cycles, which run from December of the previous year through November of each general election - Governorial (G) and Presidential (P). When comparing election-related statistics, it is important to compare gubernatorial elections to gubernatorial elections and presidential elections to presidential elections. SBE's performance measures reflect increased voter participation in presidential elections. Other data is fiscal year data.
