Special Alert 172: HR, Timekeeping, Payroll and Benefits Updates

Release date: 3/12/2021

Special Alert for HR, Time, Payroll and Benefits Users

Attention all support role users:

Due to an issue with the new Workday release, you will **not** receive notifications regarding new events that come to your inbox.

Please check your inbox for new events awaiting your action. Agency Benefit Coordinators (ABCs) should run the **SPS Benefit Open Election Events - Employees** report to assist employees with new benefit events. Employees will not receive notifications about their events until the issue is resolved.

We will update you on the timeframe for the resolution of this issue on Tuesday, March 16th.

Thank you for your patience!
